CHARLES-TOWN.

On Thurſday the 5th Inſtant the Clergy of this Province waited on His Excellency the Governor with the following Addreſs.

To His Excellency JAMES GLEN, *Eſq; His Majeſty's Captain-General, Governor, and Commander in Chief, in and over the Province of* South-Carolina.

The humble ADDRESS of the *Clergy* of the ſaid Province.

May it pleaſe Your Excellency.

WE Your Excellency's moſt dutiful and obedient Servants, the Clergy of this Province, humbly beg Leave, to take this firſt Opportunity of our Annual Meeting at *Charles-Town*, to congralute Your Excellency on Your ſafe Arrival to this Your Government. We dare ſay the Event is Matter of Gladneſs to all Ranks and Degrees of His Majeſty's Subjects of *Carolina*; not from the Want of Redreſs of any Grievances or Oppreſſions they have labour'd under; but from their firm Truſt and Confidence in His Majeſty's Wiſdom and Goodneſs, that as He has hitherto provided for their Enjoyment of the invaluable Bleſſings of Protection and Security, in all the Rights and Liberties, whether Civil or Religious, of *Britiſh* Subjects; ſo, in appointing Your Excellency His Governor over them, He has thereby alſo effectually provided, not only for the Continuance, but even the Improvement of theſe Bleſſings to them, and that under your Adminiſtration, they may become a ſtill more happy and flouriſhing People.

And profeſſing the ſame Truſt and Confidence with our Fellow Subjects, we further beg Leave alſo to acknowledge our more eſpecial Happineſs, in our daily Experience of his Majeſty's gracious Intentions ſo agreeably fulfilled, by Your Excellency's open Patronage and exemplary Practice of GOD's true Religion (the alone ſure Foundation of the Peace and Happineſs of Society) and particularly as profeſſed in the Church of *England*: Which cannot fail of happy and diffuſive Influence, for promoting the Intereſts of true Religion and Virtue in general, and deriving the Bleſſing of GOD on Your Perſon and Government; & moreover, affording us Grounds to hope for Your favourable Countenance and Encouragement towards the Church of *England* and her Clergy, in particular; ſo far as may be conſiſtent with full Liberty of Conſcience to *Diſſenters*, in the Enjoyment of which we wiſh them quite ſafe, quiet, and contented.

And we farther beg Leave to aſſure your Excellency, that according to the plain Rules of the Goſpel, and known Principles of the Church of *England*, we ſhall not fail in our own dutiful Affection to Your Perſon, and Submiſſion and Obedience to Your Government; nor neglect our beſt Endeavours to influence thoſe of our ſeveral Charges to the ſame Behaviour; nor ceaſe our hearty Prayers, that GOD would be pleaſed to direct and proſper Your whole Adminiſtration to the Advancement of his own Glory, the Good of his Church, the Honour and Service of his Majeſty, and the Safety, Intereſt and Happineſs of this His Province.

Your Excellency's
Moſt Dutiful and

CONSTANTINOPLE, *Nov.* 20.

The following is a Tranſlation of a Cayme lately arrived at the Sublime Porte from the Governor of the Muſſul, Abdilzzelil Oglou Huſſein Paſcia

ON the 25th of laſt Moon of Cezzep, being Sabbath Day, Nadir Sahh, with a numerous Army, being arriv'd at Muſſul, pitch'd his Tents

in

in the Neighbourhood of the Place, near what is called the Village of the Prophet Jonas; where after having made a Stay of ſome Days, on the 2d of laſt Month of Saban, he himſelf roſe up, and, in Perſon, took a Turn round the whole Place to obſerve its Situation, and, having raiſed Batteries, and made Entrenchments to form the Siege of the ſaid Place, he approach'd it with his Troops, and on the 4th of the ſame Moon, began to batter it, in twelve Parts, with great Cannon; and on the 8th, which was a Friday, at 10 o'-Clock, he threw an infinite Number of Bombs, from 12 Batteries, againſt it, continuing Night and Day, when the Beſieged had great Difficulty to ſave the advanc'd Works from the Execution of the Bombs, perſiſting with incredible Courage in the Defence, by firing continually againſt the Aſſailants, which Fire on both Sides laſted eight Days and eight Nights, and the Bombs thrown againſt the Place were counted upward of Seventy Thouſand, beſides the continual firing of Muskets, after this he cauſed the River Tigris to be cut off in the Neighbourhood of a Place called Cara Sarai, and to be turned into the other Channel; he preſs'd the Beſieged continually with Numbers of his Troops, who not in the leaſt abating in their Courage, both I and the Governor of Aleppo, his Excellency Huſſein Paſcia, with a military Example, inceſſantly animated the Garriſon, and cloſely attended the Repairing of thoſe Parts that had been ruined by the Cannon of the Enemy, who having form'd Mines, and in eight Days time provided all ſorts of Inſtruments eſpecially 1700 Ladders, which he made his Soldiers carry upon their Shoulders for the Aſſault; and having paſſed the Tigris with all his Troops to apply the ſaid Scales to the Walls, in the mean Time he ſet Fire to the Mines, two of which, by mere Providence, turning backwards, buried a great Number of their Men, and the reſt of their Mines remained without the leaſt Operation; notwithſtanding which he forced his Troops to the Aſſault, and to apply the Ladders. But the Beſieged were as active in repelling them with Grenadoes, Bombs, and Fire-Arms, making a continual Slaughter of the impertinent Enemies; the Fight between the two Parties laſting ſeven Hours, it being Friday, after which, at about the 8th Hour our Troops had the Succeſs, by the particular Providence of the juſt God, to get the better, and to remain Conquerors, having cut off 5400 Enemies; and the Remainder of their Troops, not being any longer able to withſtand the Heroick Courage of our victorious Soldiers, were forced to fly and retire to their Camp; whilſt we had but 40 in all of our Men killed during the whole Time of this Siege and Action. In ſhort, all the Projects contrived, from the beginning, by the perfidious Enemy, prov'd but vain Attempts, ſo that growing, at laſt deſperate, with the greateſt Confuſion and Diſperſion of his Troops, not being able, any longer, to ſubſiſt in theſe Parts, he, in Haſte, repaſſed the River Dizzle, and retired to his own Country. Which being to be aſcrib'd to God's ſpecial Favour, and to the auguſt Fortune of our invincible Monarch, we are obliged to continual Prayers, that the Divine Majeſty may be pleaſed to continue and perpetuate his Imperial Triumphs.
